Dear NMI Partner,

Here is a **FRESH** idea that may bring in a **MINT** for February's Alabaster offering.

Copy (or print) and cut out the Alabaster's Double Give gum wrappers (page 2) and wrap them around sticks of gum. Wrigley's Doublemint is only \$5.00 for 100 sticks.

Copy (or print) and cut out the "**Chew** on this" notes (page 3).

Early in February, pass out the gum and the notes. Remind your church how much they gave in the September Alabaster offering. Challenge them to **DOUBLE** their giving for the February Alabaster offering.

This idea can also be used in September to **DOUBLE** the giving from February.

Angela Ward, in Oklahoma, submitted this idea.

The Alabaster Offering provides important funds for building churches, chapels, hospitals, clinics, schools, and more on the mission field here and around the world. Thanks for everything you do to promote Alabaster giving in your local church.

Sincerely,

A handwritten signature in black ink, appearing to read "Cheryl Crouch". The signature is stylized with loops and a large oval at the end.

Cheryl Crouch,
NMI District Alabaster Secretary
